Print off your Horlicks bunting to hang on the wall, or use the black and white copies to colour in before you hang up!

Simply use scissors to carefully cut around the outside of the triangle, and a hole punch to make a hole in each of the top 2 corners.

Using string, thread it in and out of the bunting, leaving as much space as you like between each piece.

Find a place on the wall to hang it, so you can feel inspired by the uplifting messages throughout the day.
